

Dear friend.

My name is Agwata Victoria. I was born on 05/04/2002, in a village called Nabongo. My parent are Mr Abanga Agwata and Mrs Agwata AZIRIBISE. I attend Nabongo Primary School. My parents cultivate Millet, and rice to feed the family since they are un-employed. We fetch water from borehole. My favorite subject is number counting and my favorite food is rice balls. We have a clinic in my village. We have a market in my village which comes on every three (3) days. I am very happy for you taking me as your friend. Thank you

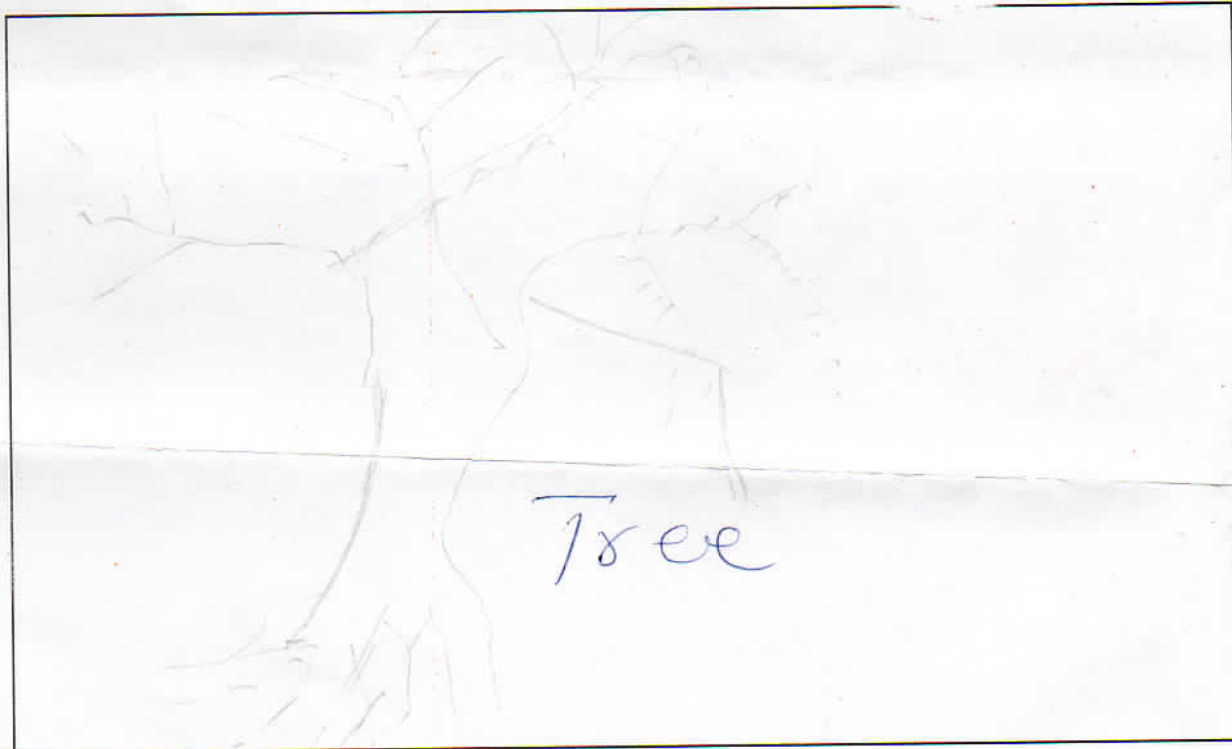

Soccer is the most popular sport in Ghana

"Ampe" is a favorite game for girls

"Oware" is a popular game of counting
